This International Search Report has been	n prepared by this International Searching Auth	ority and is transmitted to the applicant						
according to Article 18. A copy is being tra	ansmitted to the International Bureau.							
This International Search Report consists	of a total of 3 sheets.							
l 1	a copy of each prior art document cited in this	report						
[X] It is also assorting the By	a copy of cach phot art document cited in this	Тероги						
Basis of the report								
·								
a. With regard to the language, the	international search was carried out on the bas ess otherwise indicated under this item	is of the international application in the						
language in which it was ned, urin	ess otherwise indicated under this item.							
the international search w	as carried out on the basis of a translation of th	ne international application furnished to this						
Authority (Rule 23.1(b)).		i A						
b. With regard to any nucleotide and	d/or amino acid sequence disclosed in the in	ternational application, the international search						
was carried out on the basis of the	e sequence listing:							
contained in the internatio	nal application in written form.							
filed together with the inte	rnational application in computer readable form	n.						
furnished subsequently to	furnished subsequently to this Authority in written form.							
furnished subsequently to	this Authority in computer readble form							
	furnished subsequently to this Authority in computer readble form.							
international application as	sequently furnished written sequence listing do s filed has been furnished.	bes not go beyond the disclosure in the						
	the statement that the information recorded in computer readable form is identical to the written sequence listing has been							
furnished	maiori recorded in computer reducible form to	nacritical to the written sequence listing has been						
2. Certain claims were four	nd unsearchable (See Box I).							
3. Unity of invention is lack								
on the control is idea.	ung (see box ii).							
4. With regard to the title ,								
X the text is approved as sul	bmitted by the applicant.							
the text has been establish	ned by this Authority to read as follows:							
		•						
5. With regard to the abstract,	·	•						
X the text is approved as sub	omitted by the applicant.							
	ned, according to Rule 38.2(b), by this Authority							
within one month from the	date of mailing of this international search rep	ort, submit comments to this Authority.						
6. The figure of the drawings to be public	shed with the abstract is Figure No.	3						
as suggested by the applic		None of the figures.						
H								
because the applicant faile		Yi.						
because this figure better	characterizes the invention.
